Monthly Newsletters

The Greenhills Police Department monthly newsletter keeps the community and its leaders informed of their activities. Recently, feedback was given by resident and Citizens Police Academy alumni Donna Hadley: "I enjoyed reading your report/newsletter. As usual, it contains many interesting items; however, I especially enjoyed reading the "good news" articles which describe the truly positive ways in which our GPD officers and our residents relate. Bravo! to each one of you."

Special Person in the Community Contest

To enter the contest, students were to draw a picture of a Special Person in the Community. During a Council Meeting, those persons were honored and presented with flowers. The students were given a McDonald's gift card.

Community Fund

Items are given to residents in need through their Community Fund, most recently a crib was provided to an expectant mother.
