

CLEE Re-Certification Attestation Statement

(Effective June 28, 2023)

CLEE Graduate: The CLEE Advisory Board adopted the *CLEE Re-Certification Attestation Statement* which may be used by any graduate who is six years or longer post-graduation, in lieu of submitting the regular re-certification application. The attestation statement may be used only after the completion of the initial full recertification. If you have not yet completed the initial full-recertification application, (i.e., graduated three years ago or less), you cannot re-certify via the Attestation Statement and must submit the full Re-Certification Application.

The Attestation Statement is due every three years. A ninety-day notification will be sent to all CLEE graduates whose Re-Certification is up for renewal. The Attestation Statement must be submitted along with the payment of \$75 payable to the Law Enforcement Foundation, no later than December 31.

Classes addressing administrative and management issues sponsored by IACP, OACP, OPOTA, OSHP, CALEA, Federal and State government departments and agencies, certified academies, and accredited colleges and universities will be accepted. Training not sponsored by one of the agencies or institutions listed above may be approved if the instructor is a recognized expert in the subject matter or a professional presenter, and the learner outcomes are clearly identified.
