### ***Safety Town***

The Miami Township Police Department (Montgomery County), partnered with the Miamisburg School District to host our first ever Safety Town at Jane Chance Elementary School. This informative and engaging program was developed with children aged 5-7 years old in mind. It features interactive and engaging topics related to: Pedestrian Safety, bike safety, firearms safety, bus safety, stranger danger, bullying, fire danger and more. Sessions included a bus ride to the police department and a tour with first hand and up-close exposure to specialized units like bicycle patrol, K-9s, and drones.

There was such an overwhelming response that they had to add extra sessions. They ended up running two sessions per day over two straight weeks. Overall, they ran Safety Town for 10 days, educating over 60 local kids and they had dozens of volunteers and supporters. This event helped the officers engage with local kids, parents, teenagers, businesses, schools, and more. It truly was a community engagement success.
