Agency of the Month

Timberlake Police Department

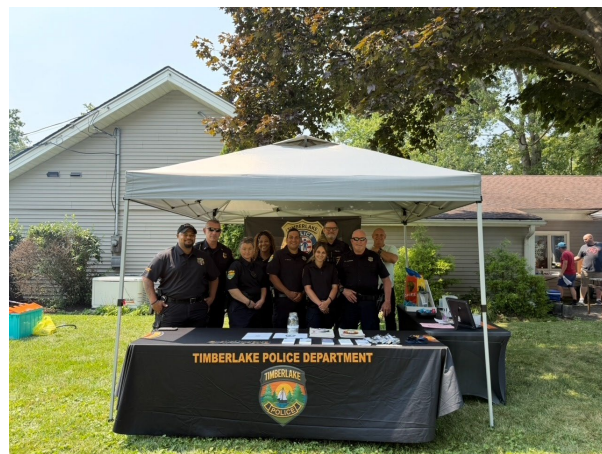

January 2026

Since assuming the role of Chief of the Timberlake Police Department in late 2024, Chief Dolbin has made significant strides within the agency. One of his early initiatives was the formation of the Timberlake Police Benefit Association, created to support department involvement in community events and outreach efforts. Since its establishment, the department has been actively engaged throughout the community.

The Timberlake Police Department places a strong emphasis on community policing and has earned a positive reputation across Lake County—affectionately known as the “Dog Treat Department” for always carrying treats for the community’s furry, four-legged friends. In just nine months, the agency has overcome adversity and is now building a strong identity and a respected reputation within the community.

Timberlake Family Fun Days

Follow the Parade down East Shore to the Picnic at the Village Hall and Beach Park. Stay for the hot dogs, and side-dishes. Along with live music, there are fun and games including a best in show dessert contest, a cornhole tournament, horseshoes, a bounce house, 50/50 raffle, plenty of prizes to win, and so much more!

National Night out Against Crime

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie. This event is always free and open to all! Bring the family and enjoy a night of fun, building a stronger relationship between area safety forces and the community.
